GAF Offers Its Certified Contractors a Superior Vent Pipe Flashing Option

The Ultimate Pipe Flashing...	GAF has partnered with Lifetime Tool & Building Products, LLC to offer our Master Elite™ and Certified™ Contractors a superior solution for flashing plumbing vents. GAF contractors will receive preferential pricing when they purchase Ultimate Pipe Flashing from Lifetime Tool & Building Products, LLC. They'll also be eligible to receive GAF's superior system warranty coverage when installed as part of a Golden Pledge® or System Plus Ltd. Warranty!			
A Superior Solution...		Ultimate Pipe Flashing	Typical Pipe Collars	Key Benefits
	Boot Opening Adapts to Steep Pitches Without Deforming	Yes	No	Eliminates having to caulk the boot opening – no mess or leaks
	Patented PVC Compression Ring Seals Around Pipe	Yes	No	Provides a seal which is virtually impermeable to air and moisture
	"Boot" Material is Made of Pure Silicone	Yes	No	Avoids cracking or degradation which can eventually cause leaks
	Extra-Large Kynar-Coated Flashing With Nailing Slots	Yes	No	Reduces chance of rusting and allows for expansion/contraction
	Warrantied on Golden Pledge® & System Plus Ltd. Warranties	Yes	No	Eligible for GAF's superior system warranty coverage
Important Product Information...	<ul style="list-style-type: none"> • Designed To Work With... typical PVC, ABS and some iron plumbing pipes • Sizes... Available in the most common residential sizes including 1.25", 1.5", 2", 3", & 4" • For Copper/Lead Plumbing Pipes... <u>always</u> install with EasySleeve (available from Lifetime Tool) <ul style="list-style-type: none"> ○ EasySleeve covers deteriorated or pitted copper/lead/cast iron pipes and helps ensure a water-tight seal is maintained with the Ultimate Pipe Flashing ○ Using Ultimate Pipe Flashing on the above metal pipes without an EasySleeve can increase the chance of leaks and is not recommended • Complete Installation Details... are available at www.LifetimeTool.com 			
How to Take Advantage...	<ol style="list-style-type: none"> 1. Visit... www.Lifetimetool.com to purchase Ultimate Pipe Flashing & EasySleeve 2. Enter Your Exclusive Discount Code... GAFLT13 to receive your GAF contractor discount 3. GAF Warranty Registration (optional)... Enter how many Ultimate Pipe Flashings you installed on the Golden Pledge® or System Plus Limited Warranty job when registering each warranty <ul style="list-style-type: none"> • Please note, although they receive the respective Golden Pledge® or System Plus Ltd. warranty coverage, they are <i>optional</i> and will not fulfill a required accessory product category
